### LINKING YOUR KHAN ACADEMY AND YOUR COLLEGEBOARD (PSAT / SAT) ACCOUNTS

Dear Student and Parents/Guardians,

The Math Department at Sacred Heart High School has been using Khan Academy for the summer math assignment and teachers have also been using Khan in their classrooms. With that being said, all Sacred Heart students are required to have a Khan Academy account. Now, it is possible to link a student's Khan Academy account with his or her CollegeBoard (CB) account. The linkage will allow the CB to send the student's PSAT/SAT results to Khan Academy, who will personalize practice recommendations for the students, based his or her performance on the PSAT/SAT. This linkage is a totally free service.

Students who have not yet taken the PSAT/SAT will be able to create an account that will help them prepare for the PSAT and SAT.

We strongly encourage all students to take advantage of linking their Khan and CB accounts. Again, this linkage is a totally free service. Other SAT prep services sometimes charge hefty fees. Students will benefit from having practice material for the PSAT/SAT tailored to their individual needs, which could lead to better scores on those assessments.

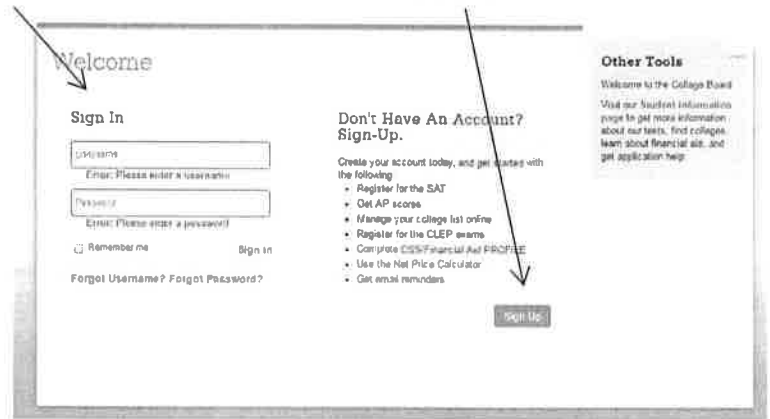

Details for linking your Khan account with CB are found below.
